NEWTON COLLEGE of the SACRED HEART

THE WELL

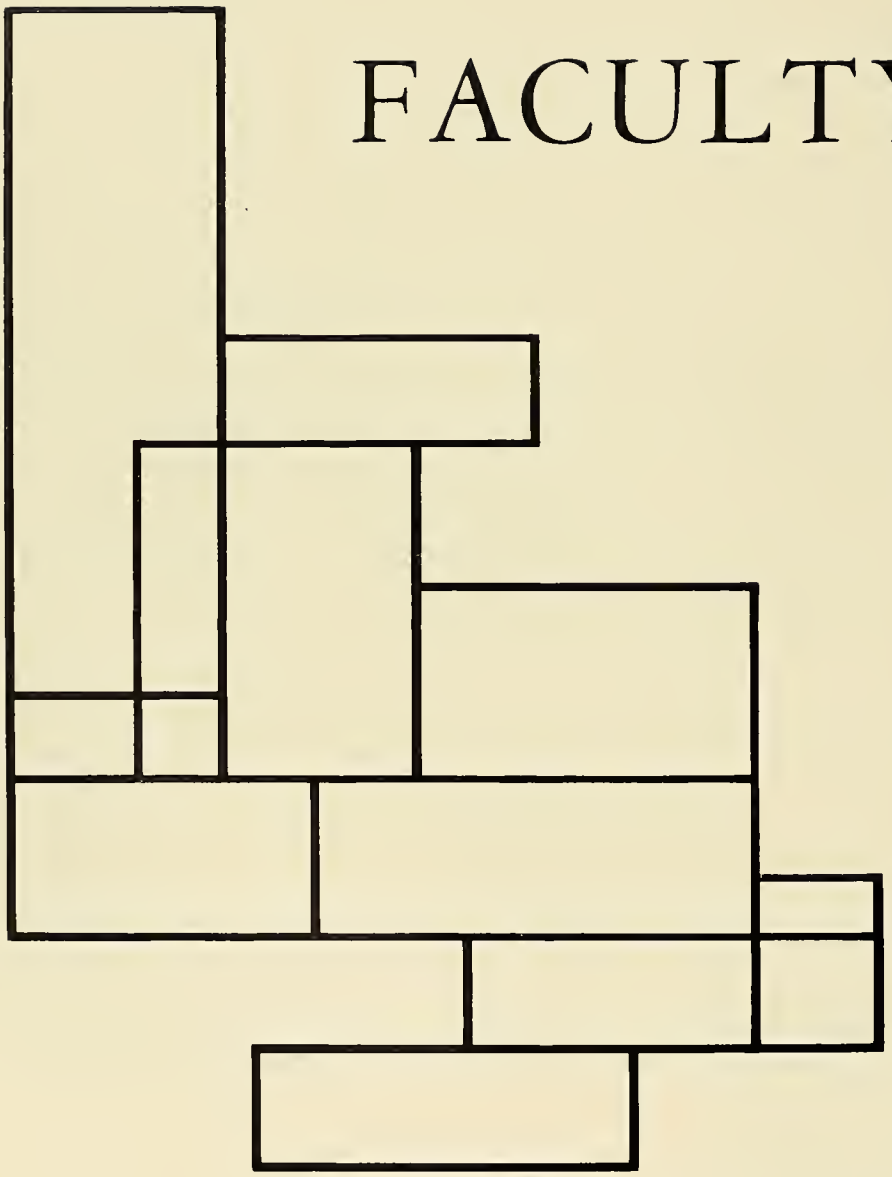
DEDICATION

The Class of 1962 dedicate *The Well* to our parents in gratitude for the faith and love with which they have always encouraged us in our effort to lay the foundations for a deeper understanding and achievement of life.

Reverend Mother Heuisler, whose prayers and devotion have guided us.

Mother Husson, President, and Mother Quinlan, Dean of Studies, have guided us in abstracting the true meaning of life.

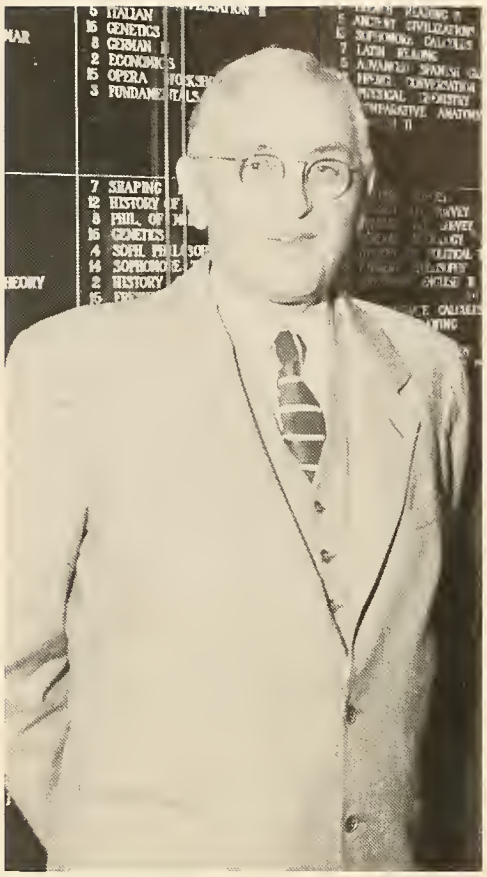
FACULTY



Mother Santen, as Dean of Admissions, is a principal figure in the evolution of the world of Newton.

Dr. Higgins and Mr. Collura of the Theology Department consider another principle of selectivity in "Wheat and Cockle".

Mr. Wyeth, of the French Department.



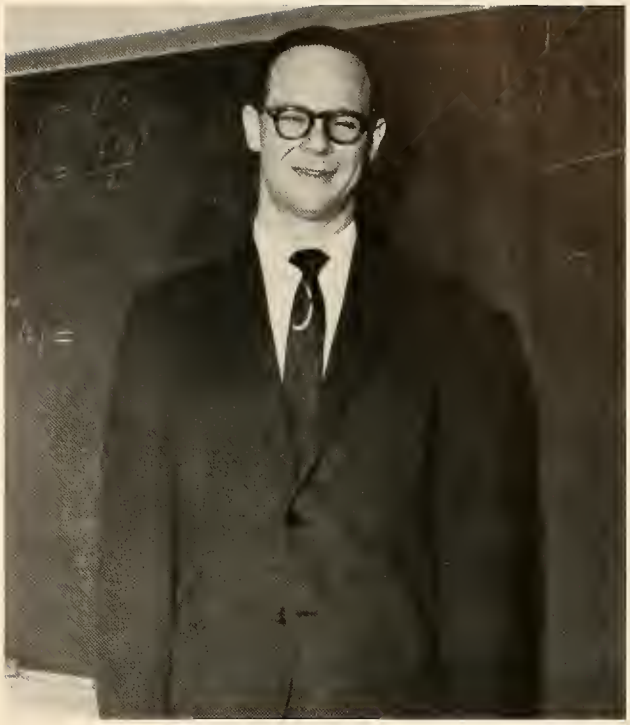
Berlitz and Berlioz

Mrs. Balling, Music and German; Mrs. Kean, Russian.

Mother Maguire, head of the English Department

Lively Artists

Gabriel Marcel expresses his pleasure after the Newton production of his play "La Chapelle Ardente", under the direction of Miss Joan David, '57.



Abstracting the common denominator Mr. Schwartz, of the Mathematics Department.

The Faculty Lounge: intellectual melting pot. Mr. Carello, Classical languages; Miss Jenks, Sociology and Psychology; Mr. Conway, Economics and History.

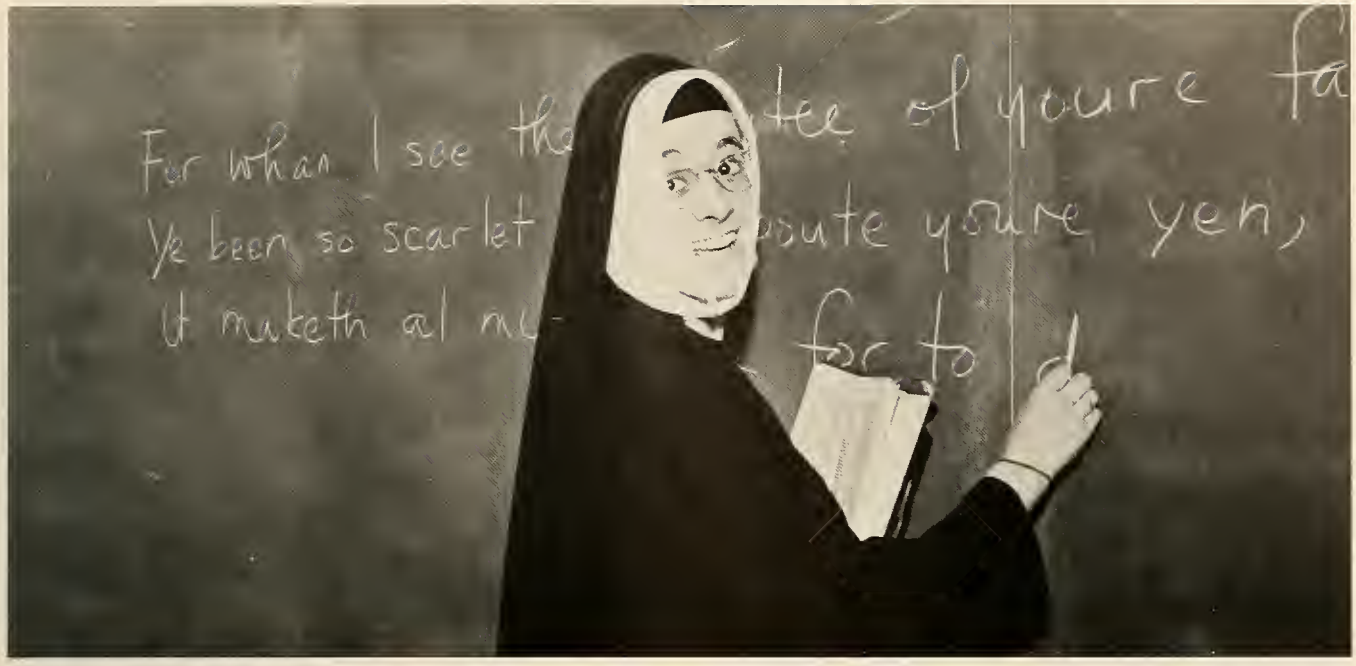
Mother Torres investigates an ancient civilization, its essentials and its accidents.

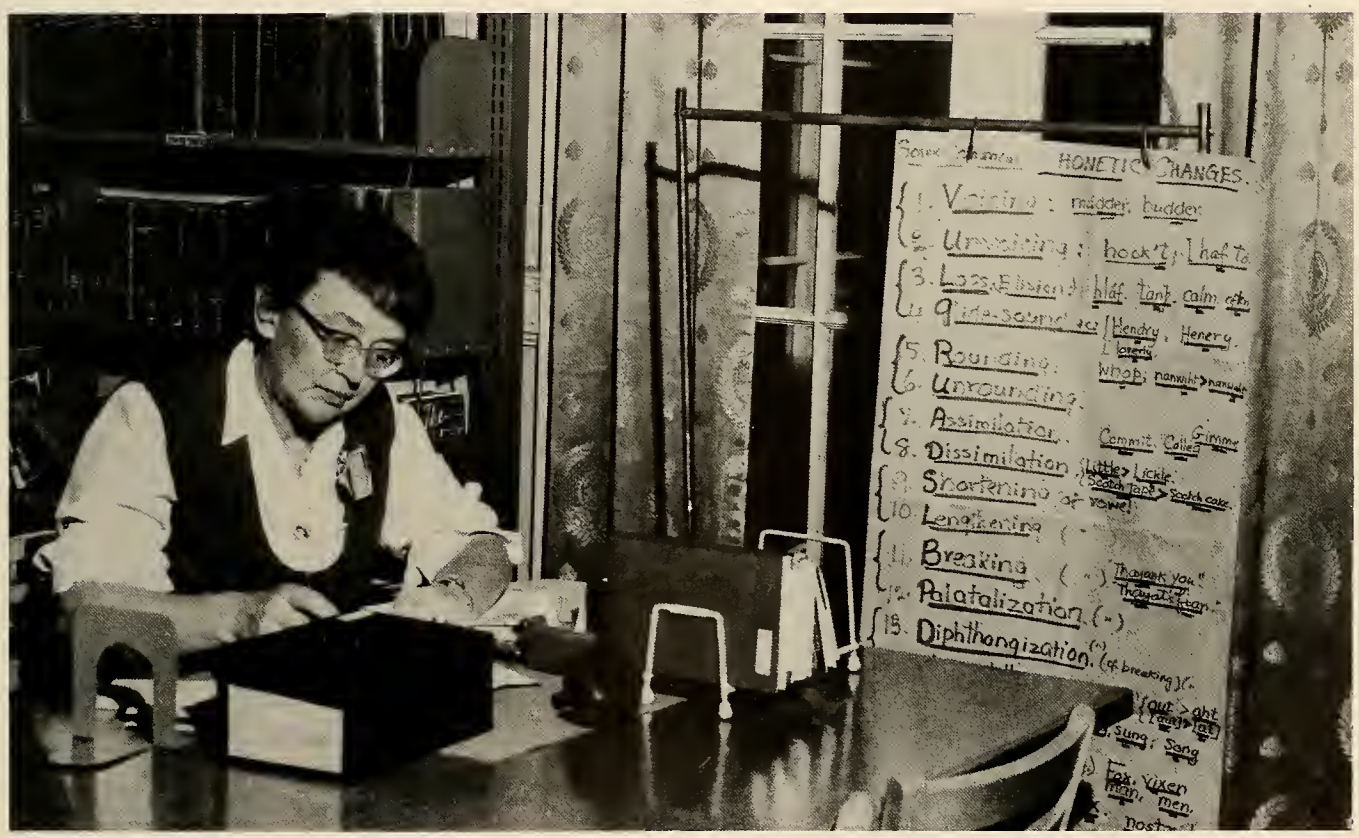
Dr. Kerekes and Mary Ann Brennan take advantage of a traffic lull in Stuart's busy front hall to discuss thesis problems.

"Why don't you look that up in *Shipley?*"
Miss McNamara of the English Department.

Miss Norton, Registrar: "Just a minute, and I'll check your folder."

Mr. Curran, Dr. Gleiman and Mr. Godfrey. A random bit of scholarship.





Top: Mother White clarifies the muddles of Middle English.

Bottom: Mrs. Webster and her favorite chart: An Old English primer for the Modern Student.

Where the facilities meet: the philosophy of art and the art of philosophy: Dr. Fitzgibbon of the Philosophy Department and Mother Putnam of the Art Department.

The basic elements of man in society: Dr. Moravec, Sociology and Dr. Naves, Chemistry.

Miss Casey

Teaching puts theory into practice

Dr. Marsh and Dr. Linehan

"By nature man is a social being." Dr. Nemethy, professor of Sociology and Economics impresses this fact upon Susie Kean and Helen Bill.

The Artist – man expresses himself.
After his lecture on Viennese architecture, Dr. Fischer (center left) talks with Mr. Stahl, Mother Putnam and Mr. Marcus.

The Psychologist – why man expresses himself.

PARENTS:

have you compared the cost of education loans?

You owe it to yourself to compare loan costs with the cost of the Insured Education Loan Plan of Manufacturers Hanover Trust Company.

For example, a four year, $4,000 education loan from Manufacturers Hanover costs only $143.84.

A Personal Credit Counselor in any of our banking offices will help you borrow from $300 to $10,000 — to finance education at any level — from primary grades to post graduate or business schooling — and for one to four years. You can take up to six years to repay.

Your life is insured at all times for the unpaid balance, thus assuring that the education of your son or daughter will be continued.

Before you borrow, come in and talk it over with one of our Personal Credit Counselors. He'll be glad to arrange an education loan for you. One of our over 130 banking offices is very near where you live or work. Two thirds of them are open Monday evenings 6 to 8 p. m.

Typical Manufacturers Hanover Trust low-cost education loans
